1/ A/47/916/Add.1.

2/ A/47/984.

Reaffirming that the costs of the United Nations Operation in Somalia II are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recalling its previous decision regarding the fact that, in order to meet the expenditures caused by the United Nations Operation in Somalia II, a different procedure is required from the one applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Mindful of the fact that it is essential to provide the United Nations Operation in Somalia II with the required resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

Expressing concern about the financial situation with regard to the United Nations Operation in Somalia II activities owing to overdue payments by Member States of their assessments, particularly Member States in arrears,

Also expressing concern about the delays in submission of budget documents until well into the financial period of the United Nations Operation in Somalia II, which has contributed to the financial difficulties of the operation,

Expressing deep concern about the adverse effect that the deteriorating financial situation has on reimbursement to troop contributors, placing an additional burden on these countries and putting at risk the continuing supply of troops to the United Nations Operation in Somalia II and consequently the success of the operation,
